v City of New Rochelle  
13 CV 3315 (NSR)

Honorable Nelson S. Roman  
United States District Judge  
The Hon. Charles L. Brieant Jr.  
Federal Building and U.S. Courthouse  
300 Quarropas Street  
White Plains New York 10601-4150

Dear Judge Roman,

I am respectfully requesting that the pre-motion conference that is currently scheduled for September 11, 2013, be adjourned. To date, I have not been able to have several of the police officers who were involved in these incidents served with a summons. Specifically, I need to effect service on the following New Rochelle Police Officers : Sergeant Daniel Conca, Sergeant John Inzeo, Sergeant Kyle Wilson, Police Officer Aaron Goldstein, Police Officer Lore, and Police Officer Chen.

Further, I wish to bring to this Court's attention that the New Rochelle Police Department has not provided me with any transcripts of any of the recorded telephone calls that I have requested. I made telephone calls to Lieutenant Marshall's office between March 2<sup>nd</sup> and March 6, 2013 from my cellular telephone ( 914-563-6799 ). I am now being advised that those calls were not recorded. I have also been advised by the New Rochelle Police Department that a phone call made by Sergeant Kyle Wilson, while he was on duty and working in a squad room, to my cellular phone, was not recorded. I find it difficult to believe that there appears to be no record or recording of those calls by the New Rochelle Police Department.

I was not advised when I initially went to the United States District Court that I was supposed to serve the officers individually- that is why I only served The New Rochelle Police Department and The City of New Rochelle. I am now using a process server in order to effect proper service.

I have spoken with an attorney that I know, Mr. Russell B. Smith, Esq., whose office is in White Plains, about representing me in this matter. He has been an attorney for over twenty years but is not currently admitted to federal practice but is in the process of doing so.

Thank you for your consideration.

Re: F.O.I.L.  
Audio Recordings/Phone Calls

Dear Mr. Williams:

In am in receipt of your most recent F.O.I.L request for audio recordings of telephone calls made either to or from NRPD headquarters. As I have previously explained to you attorney, Russell Smith, without a narrow time frame, it is difficult to search out one particular call. Also, some calls are not recorded. In your situation, calls to the phone in Lieutenant Marshall's were not recorded. You should know that once the Communications Unit employee transfers the call to his line, and hangs up, all recording ceases. Next, I interviewed Sgt. Kyle Wilson concerning the outgoing call he initiated to you on July 17, 2013. He advised me that he called from a phone located in the basement squad room which is not recorded. If you have any questions, contact me at 654-2217.

Very truly yours,
